ISSN 2278 0742 / www.ijells.com

Greetings!

International Journal of English: Literature, Language & Skills has a very strong international presence and has also acquired validity at home. IJELLS has been included in the list of journals approved by UGC. This was achieved through the individual recommended list of journals from universities whose faculty published with us. And on this memorable occasion we, at IJELLS would like to thank all those who believed in IJELLS and supported this academic enterprise. To all the authors who published with us and recommended the journal, we express much appreciation and gratitude.

It is a commendable task taken up by UGC to set up standardised research publication process. And we are extremely pleased to be alongside UGC in this endeavour.

Warm Regards,
Editorial Team,
IJELLS
